UNIVERSITY OF GEORGIA

Dear _____,

We're excited to welcome you to campus in August! All first-year students are required to live on campus, so please register for housing as soon as possible. Registering for housing does not commit you to the University of Georgia.

Room selection

For most students, room selection works on an appointment system based on when you complete your housing registration and pay the non-fundable registration fee. UGA is committed to housing all incoming first-year students but, the earlier you register, the more priority you'll have in choosing your space. The opportunity to choose your space will begin after the university's commitment deadline of May 1.

First Year Live-On Requirement

If you believe you qualify for an exemption to the [First Year Live-On Requirement](#), please log onto [The Dawg House](#) to request an exemption by May 15.

Failure to register for on-campus housing or to submit an exemption request by the deadline may constitute non-compliance with the First Year Live-on Requirement and could incur additional fees.

If you choose to stay on campus for First-Year Orientation, reserve your space when you choose your orientation session. For details on staying on campus, visit housing's [New Student Hub](#).

- [April 10 at 7 p.m. Eastern](#)

Please contact us if you have any questions; we are here to help!

Sincerely,
