Student Affairs

UNIVERSITY OF GEORGIA

Hello, Bulldogs,

While you may be focused on moving out, we're already preparing for move in!

We're looking for individuals and student organizations to volunteer for Hunker Down with Housing on August 11-13 to welcome new students to UGA. Hunker Down with Housing volunteers make campus move in a smooth and exciting experience for new Bulldogs. This year we're working with partners across campus to make move in bigger and better than ever—we need hundreds of volunteers like you.

Living on campus is not a requirement to volunteer; any student enrolled for fall 2023 is eligible to volunteer!

Individual volunteers:

- Greet new and returning students and parents
- Give directions to area parking lots
- Direct traffic
- Serve as a resource for residents and their families
- Assist with recycling
- Receive free t-shirt with a custom UGA graphic
- Receive a free meal during shifts
- On-campus residents may move in a day early (August 10)

[Register to volunteer](#)

Good luck on your finals and I hope you have a safe and happy summer,

Susan Dodson
