SUBJECT: Room selection information and appointment time notification

Hi \_\_\_\_,

Congratulations again on joining the Bulldog family; we're excited to have you on campus! This email contains instructions for selecting your room for fall 2025.

### **Your appointment time to choose a space**

Beginning at **[TIME INDIVIDUAL TO EACH STUDENT]**, you may log in to The Dawg House to browse all available rooms. After selecting a room, and if you are in a confirmed roommate group, you may assign a roommate to an available bed space.

Instructions for selecting a room are below; you may also watch the [tutorial on YouTube](#) as a step-by-step guide.

### **Finding a room**

- Select REGISTER FOR HOUSING
- Choose RESIDENCE HALLS 2025-2026
- Search the list of the available spaces.
- The Dawg House updates in real time. All available spaces will be displayed. If you do not see a particular building or room type, it means there are no remaining spaces of that type available.

### **Securing your room**

- Once you find a space you like, click ADD TO CART. Up to two rooms/suites/apartments will remain in your cart for 10 minutes.
  - To assign a roommate to a suite or a different room than your own, you must add both rooms to your cart at the same time.
- Click SAVE AND CONTINUE to secure your space or it will be released back into all open searchable rooms.
- You'll be redirected to the Assign Beds page.
- Check the drop-down menu to assign beds for yourself and your roommate, if applicable
- Once you have added everyone to a bed, click ASSIGN BEDS.

- On the confirmation page, double check the hall/room number and that you've pulled in your roommate (if applicable).
- When you are ready to move past the confirmation page, click **SAVE AND CONTINUE**
  - Prior to clicking SAVE AND CONTINUE, you can go back to change your space(s); however, you will have lost all prior progress and will be starting the room selection process from the beginning.
  - After clicking SAVE & CONTINUE you will not be able to search for other spaces.
- Congratulations – you have your housing assignment!

The room selection period will end Thursday at 10 a.m. If you have not selected a space by the conclusion of the housing selection process, you may be randomly assigned a space regardless of roommate group status.

### **Housing contract**

Within a week of choosing your space, University Housing will email you with instructions for executing your housing contract. In order to complete your reservation, you must execute a contract for your reserved space by the deadline stated in the email. **To complete your reservation, you must execute a contract for your reserved space by the deadline stated in the email.** The housing contract is a legally binding document that confirms your housing assignment for the academic year. Failure to execute your contract may result in the cancellation of your housing reservation. If you wish to change your reservation, you must first execute your contract, then complete a room change request in The Dawg House.

University Housing will continue to offer rounds of appointment times until all first-year students are assigned. Please contact University Housing if you have any questions: [706-542-1421](tel:706-542-1421) or [housing@uga.edu](mailto:housing@uga.edu)

SUBJECT: UGA Housing assignment update

Dear Bulldog:

As promised, we are writing to update you about your housing assignment for fall 2025. Today we offered appointment times to those who registered by **8:42 AM 4/26/2025 (for females) and 12:45 PM 5/14/2025 (for males)**.

Because appointment times are offered in the order in which students register for housing and pay the registration fee, your registration date puts you in a later round of the assignment process.

We do have space for you and are working hard to get everyone assigned as quickly as possible

Continue to check your UGA email for information about your online appointment time to choose a space. We will continue to send updates about this process to your UGA email; **the next update will be sent no later than June 12.**

We encourage you to research some alternatives to your first choice of space, so you feel prepared when it is your time to choose. In addition, check out the [tutorial on YouTube](#) for a step-by-step look at the process in The Dawg House.

If you have any questions, please reach out to us. We try to respond to emails within one business day. You may also call Monday-Friday 8 a.m.-5 p.m. EST or—if you are attending an in-person first-year orientation session—stop by our resource table.
