UNIVERSITY OF GEORGIA

Hi Bulldog,

We're looking forward to your arrival for fall semester! Below are a few things to consider before you move in:

- Review the updated [Community Guide](#) for important policies and information
- Consider purchasing renters' insurance through our partner [GradGuard](#), which offers student-focused personal property and personal liability coverage
- Schedule packages to arrive after you check in. Packages received before your arrival may be returned to sender
- Choose your arrival time in [The Dawg House](#) if moving in August 9-11
- Upon move in, beds will be at their highest point (default height). If you would like your bed lowered to the traditional height *before your arrival*, complete the BED HEIGHT CHANGE REQUEST by July 21 under FORMS in [The Dawg House](#) *
- Rent a minifridge/microwave unit through [MyCollegeFridge.com](#)—order by July 24 and the unit will be placed in your room before you arrive**

Please contact us with any questions—we're excited to see you on campus!
