UNIVERSITY OF GEORGIA

Dear residents,

Beginning TODAY, University Housing is supporting the [Food Bank of Northeast Georgia](#) through our annual Housing Against Hunger campaign. The food bank distributes food to those in need through the [UGA Student Food Pantry](#), partner agencies, local mobile events and various community programs.

We're competing against other UGA departments and local businesses with the goal to provide 13,000 meals.

Two ways to give:

1. **Online** (credit, debit, Venmo, Paypal) \$10 = 25 meals!
2. **In the bins:** Canned goods and other non-perishable items (e.g., rice, flour, peanut butter) are set up near 24-hour front desks.

DONATE ONLINE NOW

Every day you donate by giving \$10 or more online, you'll be entered to win a first appointment time to choose your on-campus space for 2026. Limit one entry per day.*

Housing Against Hunger runs Wednesday, Oct. 15 through Friday, Oct. 31. Please share this message with your friends and families as we work to support our local community!
