SUBJECT: Spring housing assignments update

Dear Bulldogs,

I understand you are eager to choose your spring housing assignment. Spring students have until Monday, Nov. 22 to register for housing. After that time, we will email everyone with information about an online appointment time, during which you may choose your space on campus.

Please continue to check your email through the beginning of December so you don't miss your opportunity to choose housing. I am excited to welcome you to campus and happy to answer any questions you may have.
