UNIVERSITY OF GEORGIA

Hi Resident

Residents wishing to live on campus for the 2023-2024 academic year must complete the initial registration beginning Dec. 5, 2022. The opportunity to choose a new space* will be granted in the order in which you complete registration in The Dawg House.

There is no registration fee for current residents, and registration alone does not commit you to living on campus for the 2023-2024 academic year. If you are eligible to keep your current space, you may do so when you log in to register for the room sign-up process.

For details about the process, including creating a roommate group, frequently asked questions and a timeline, visit the [CURRENT UNDERGRADUATE STUDENTS](#) registration page of the housing website.

Please contact us if you have any questions—we are happy to help!
