UNIVERSITY OF GEORGIA

Hi Bulldogs,

Congratulations on your acceptance to UGA! We look forward to welcoming you to campus next fall.

All first-year students are required to live on campus, so please apply for housing as soon as possible; registration opens Monday, Dec. 9. Registering for housing does not commit you to the University of Georgia; it only puts you in line for selecting the space of your choice.

For most students, room selection works on an appointment system based on when you complete your housing registration and pay the non-refundable registration fee. UGA is committed to housing all incoming first-year students but, the earlier you register, the more priority you'll have in choosing your space.

STEP 1

Register for housing beginning Dec. 9, 2024. Log onto The Dawg House—our student housing portal—with your UGA MyID and password and select REGISTER FOR HOUSING. There may be multiple options for housing registration; please make sure to register for RESIDENCE HALLS FOR 2025-2026.

STEP 2

Check your email for confirmation of your online registration. Then visit the New Student Hub for everything you need to know about housing, including timelines, resources, what to bring and more.

STEP 3

Explore your options at housing.uga.edu. Online, you'll find rates, amenities, maps, a virtual tour, photos, room plans and videos to help you decide on your ideal on-campus space. You'll also find information about Living Learning Communities that integrate academics and residence life such as the Art of Wellness community, the Entrepreneurship Living Learning Community and Franklin Residential College.

NEXT STEPS

- March, 2025: Choose a roommate
- May 1, 2025: UGA commitment deadline. Once you've committed, all email communication will go to your UGA email address
- Early May, 2025: Email with information on choosing a room

- May 15, 2025: Deadline to request exemption from the first-year live-on requirement
 - Late May-June, 2025: Choose a space and execute a housing contract
- Please continue to check your email throughout the spring and summer for important updates! University Housing is open Monday-Friday 8 a.m.-5 p.m. ET to answer your questions. Please email, call or visit our website using the contact information below.
