GRADUATE

SUBJECT: Apartment sign-up starts Dec. 2

If you wish to remain on campus for the 2022-2023 academic year, you may register in [The Dawg House](#) beginning Dec. 2. There is no fee for current residents and registration alone does not commit you to living on campus for the 2022-2023 academic year.

For more information and a timeline, visit the [CURRENT GRADUATE STUDENTS](#) registration page of the housing website.

KEEP YOUR SAME APARTMENT

Upon logging into The Dawg House, you will have the option to secure your same space for 2022-2023. University Housing will then email your contract, which, once signed, will secure your space beginning fall 2022.

SWITCH APARTMENTS

Appointment times to choose a different apartment for 2022-2023 will be based on the date of your registration in The Dawg House. Appointments to choose will occur in March.

CANCEL YOUR CONTRACT

If you do not plan to live on campus beginning in fall 2022, please log into The Dawg House and cancel your contract by March 15.
