SUBJECT: Registration update and waitlist (spring semester)

Hello!

Thank you for your patience as we work to offer spring students the chance to choose a space. Unfortunately, all on-campus spaces have been spoken for.

If you would like to be added to a waitlist for spring semester space should one become available, please email housing@uga.edu. As with the initial appointment times to choose, we will offer to people on the waitlist in the order of their initial housing registration.

At this time, we cannot guarantee housing and suggest you explore off-campus alternatives. If you are still interested in living on campus for the 2022-2023 academic year (beginning fall 2022), however, room sign-up registration is currently open. The priority registration deadline for fall 2022 is Jan. 14, with appointment times to choose a space offered in the order in which students register to participate for room sign up. Please visit the [CURRENT STUDENT REGISTRATION](#) page for more information.

Thank you for your interest in University Housing and please do not hesitate to contact us with any questions.
