

SUBJECT: Room selection information and appointment time notification

Hi Bulldog,

This email contains instructions for selecting your room for the academic year beginning fall 2020. As a Freshmen College Summer Experience participant, you will remain assigned to the same room chosen during your room selection time slot for fall and spring semesters.

Your appointment time to choose a space

Beginning at **(your specific appointment time)** you may log into [The Dawg House](#) to browse all available rooms. After selecting a room, you will be able to assign your roommate to a space in the room with you if space is available.

Instructions for selecting a room are below; you may also watch the [First Year Housing Room Selection Tutorial | UGA Housing](#) on YouTube as a step-by-step guide.

Instructions for selecting a space:

Finding a room

- Select “Register for Housing” in the menu bar
- Choose “Residence Halls 2020-2021”
- Start by searching the list of the available spaces
- You can narrow it down by building, by the type of room or by the maximum number of residents allowed in a particular room
- Click the “Search” button to see a list of rooms available
- All open spaces are displayed on this site. If you do not see a particular building or room type, it means there are no remaining spaces of that type available
- Floor plans for a selection of buildings are available in The Dawg House. You can view the floor plan by choosing “Floor Plans” at the top menu bar and downloading a PDF of available floor plans
- Additionally, you can see room layouts on our website at https://housing.uga.edu/site/housing_search_floorplans

Securing your room

- Once you find a space you like, click “Add to Cart.” This room/suite/apartment will remain in your cart for 10 minutes
 - If you are the first in your group to select the space, you must add the adjoining suite or room in the same apartment to your cart in order to assign those beds other group members

- Click “Save and Continue” to secure your space or it will be released back in to all open searchable rooms
- You’ll be redirected to the Assign Beds page
- Check the drop-down menu to assign beds for yourself and your roommate(s), if applicable
- Once you have added everyone to a bed, click “Assign Beds”
- On the confirmation page, double check the hall/room number and that you’ve pulled in the member(s) of your roommate group (if applicable)
- When you are ready to move past the confirmation page, click “Save and Continue”
 - Prior to clicking “Save and Continue,” you can go back to change your space(s); however, you will have lost all prior progress and will be starting the room selection process from the beginning
 - After clicking “Save and Continue,” you will not be able to search for other spaces
- Congratulations – you have your housing assignment!

The room selection period will end at **10 a.m. on May 27**. If you have not selected a space by the conclusion of the housing selection process, you may be randomly assigned a space regardless of roommate group status.

Roommate groups

At this time, we are unable to make any changes to your roommate group.

Housing contract

University Housing will email contract information to your UGA email account within a week of your room selection. In order to complete your reservation, you must execute a contract for your reserved space by the deadline stated in the email. The housing contract is a legally binding document that confirms your housing assignment for the academic year. Failure to execute your contract may result in the cancellation of your housing reservation.
